November 2017

Dear Client:

Enclosed you will find an order form for Crosstech Systems' new release (Release #2018.01) of the General Ledger (Windows 32-bit and 64-bit) Package. Our email address is info@crosstechsystems.net, please update your records. The package will include the updated format for 2017 year end on all forms previously printed. **Note: New features available:**

- Update ARJ data storage retrieval routine will be faster using 7z to retrieve ARJ file format.
- New storage option will allow adding data to a specific location. Example: Select OneDrive to keep data stored offsite on Microsoft OneDrive (OneDrive is a subscribed service available from Microsoft at a fee).
- Journal Entry spread sheet format to be enhanced.
- Reporting has been enhanced.
- Standard Letters to be revised.
- Visit our website www.crosstechsystems.net, and download technical updates and order forms directly from the web, select the downloads option or go directly to www.crosstechsystems.net/downloads, the technical updates will be posted as needed. Feel free to email us at info@crosstechsystems.net with any questions about the download procedures.
- Documentation (On-Line Help) in Windows enhanced format. Within the document will be a chapter of new features, to simplify this and future releases.
- To request additional specific enhancements, send an email to info@crosstechsystems.net. State the enhancement and give a contact name with phone number for any questions.

The release #2018.01 of the General Ledger requires the *Business Rules 4.3x* release.

After the Fact Payroll release #2018.01 is required for General Ledger to continue After the Fact Payroll Check entry in Cash Disbursements Journal.

To receive these program updates, please complete the enclosed order form(s) and return it/them to us along with a check for the total amount due for your order(s).

An immediate response will be greatly appreciated. Thank you for your attention to this matter.

Sincerely,

CROSSTECH SYSTEMS, INC.
